

CAPABILITY STATEMENT

NASH HARBOR SOLUTIONS
An Alaskan Native LLC

COMPANY OVERVIEW

Nash Harbor Solutions, LLC (NHS) was formed in September 2015 with a vision to become a trusted partner of IT services in the federal market. In 2019, NHS became a subsidiary of the Nunivak Island, Mekoryuk, Alaska (NIMA) Corporation, an Alaska Native Village Corporation representing the Cup'ig Eskimos of Nunivak Island. NIMA Corporation was formed pursuant to the Alaska Native Claims Settlement Act of 1971.

NHS provides Portfolio & Program Management support services and Enterprise IT support services to the federal government. NHS intends to expand into other IT areas including: software and systems development, and cloud computing services. Our philosophy is to leverage industry best practices to deliver successful client engagements, on time and under budget. NHS believes that our people are our greatest asset, and as such, we have approached the recruiting process with the utmost care. We have recruited a team of consultants with impressive credentials from previous engagements with Public Sector Clients.

In January 2020, NHS received 8(a) status to do business in government and commercial services, specifically in the field of Information Technology (IT).
