Etolin Strait Development Group, LLC (ESDG) is an Alaskan Native, SBA certified 8(a) Small Business specializing in general contracting. ESGD is a part of an SBA approved Mentor-Protégé partnership with Turner Strategic Technologies, LLC (TST), a general contracting firm.

Our team has firmly established itself as a capable and responsive construction company. We have performed over 300 projects under various IDIQ contracts from Virginia to Washington state for all branches of the Armed Services. ESGD is well versed in managing multiple construction projects at one time and consists of principled professionals who embrace excellence and exercise honest, pride, and integrity. This has resulted in strong relationships with customers and overwhelming growth and success for the company.

Our team has gained the technical knowledge and experience necessary for successful performance of contracts with the Government through other projects and contracts across the country. Our Mentor-Protégé partners have strong experience in the areas critical to the success of future contracts, including the following highlights:

- ♦ Experience at numerous DoD Facilities
- ♦ Multiple projects performed simultaneously at various locations
- ♦ Work in occupied facilities
- ♦ Work in high-profile and secure facilities
- ♦ Projects of various sizes and levels of complexity
- ♦ Joint scoping and value engineering
- ♦ Design-build services and design support
- ♦ CPM schedule development and management
- ♦ Detailed cost estimates using R.S. Means Unit Price Book software
- ♦ Commitment to strong customer service and execution
- ♦ Formal safety and QC programs and plans
